# Residential Housing at UCHRI

During your stay at UC Irvine, we offer conveniently located one and two bedroom apartment units. Each apartment is fully furnished and includes a full kitchen, bathroom, living room, and balcony or patio.

Our residential communities are occupied by UC Irvine staff and personnel and provide a safe and quiet setting for your stay.

The city of Irvine is a suburban community centrally located in Orange County, California. The Pacific Ocean is 7.5 miles from the UC Irvine campus. Los Angeles is 40 miles to the North and San Diego is 86 miles to the South.

John Wayne Airport (SNA) is located only 2 miles from campus, but some visitors also arrive via Los Angeles International Airport (LAX) or Long Beach Airport (LGB). Both Amtrak and Greyhound also have stations in Irvine.

## Location & Community

All of our apartments are situated on the UC Irvine Campus, just a 10-15 minute walk to UCHRI. The Gabrielino and Las Lomas communities are comprised of new and current UCI personnel and provide a safe and quiet environment for your temporary stay.

With its proximity to campus, shops, and restaurants, a car is not necessary during your stay, but we do provide a residential parking pass if you choose to bring a car.
